

# Birds in Your Backyard and Beyond

## Youth Birding Week

in the Waterton Biosphere Reserve

Join us for  
**Youth Birding Week**  
March 12 - 19, 2021

Suitable for ages  
preschool and up

All photos by Asher Warkentin

## Registration:

To register for our free Youth Birding Week event, click [here](#).

### Registration includes:

#### Two Zoom events:

Kickoff Event - Friday, March 12 6:30pm to 7:30pm  
Concluding Event - Friday, March 19 6:30pm to 7:30pm

#### Various fun bird activities and learnings:

At the end of the kick off Zoom event you will be emailed a PDF package complete with the following resources to explore at your own pace throughout the week before joining us once more for our concluding Zoom event.

- Go outside and see how many items you can find on our **Winter Walk Bird Bingo sheet**.
- Create one of the **Bird Feeder Project Ideas** suitable for Preschool to Grade 6.
- Learn even more about birds through the **Online Bird Resources for Youth**. There are interactive websites and printable learn-at-home activities.
- Go outside with a **Bird Species Checklist** in hand and explore your backyard and beyond to see what bird species you can find!
- Use the provided **Tally Sheet** to keep track of your findings.
- Impress your family and friends with the neat things you learn from our **Bird Fact Sheet**.
